

Foundation Highlights

In 2015, the Claiborne County Chamber & ECD Foundation was formed to be a beacon in the business and economic development community. The exclusive charitable purpose of the Foundation is promoting the delivery of tourism, industrial services and economic services to Claiborne County and the surrounding areas.

In 2017, the Economic and Community Development Board purchased a historic home in Tazewell, Tennessee named the **Graham-Kivett Home**. The Foundation desires to use this Summer Scramble as a fund raising event for this home. The proceeds from this event will go toward renovating and restoring this property back to its original state, and eventually turning it into a Museum that will attract tourists to our beautiful area.

The Foundation is also eager to help jump-start a future **Boys & Girls Club of Claiborne County**. We will also use proceeds from this Scramble to donate toward this very worthy organization.
